

TIFFIN MOTORHOMES ALLEGRO® RED 2010

00

TIFFIN MOTORHOMES

GET READY TO FALL IN LOVE ALL OVER AGAIN.

When owners told us they wanted a rear engine model that would incorporate the Allegro's affordable luxury, we promised to deliver. Now we invite you to meet the Allegro RED. It's a whole new Tiffin for a whole new era. It's a phenomenal value for a diesel pusher – the most value-packed new model we've ever introduced. Choose from five exterior colors, each of which comes standard with a protective film layer over the front cap to preserve the finish. And the interior is as accommodating as the exterior is durable. With a sleeper sofa and an optional floor plan with bunk beds, even more friends and family can come along for one of our most comfortable rides yet. It may be the new Tiffin in town, but when you're in the mood for tailgating or trailblazing, the Allegro RED performs like an old pro.

THE PEACE AND QUIET START WHEN YOU TURN THE KEY.

COCKPIT

The Allegro RED's 340 HP rear diesel engine provides you with all kinds of advantages. Fuel economy is improved. The peak torque comes out at 660. And with the engine in the rear, you get a quieter ride with much more legroom. Add in side-view cameras to improve visibility, along with optional Halo leather driver and passenger seats, and you get one of Tiffin's most complete cockpits yet. Meanwhile, under-coach storage space gives you ample room to store luggage, tailgating equipment and your favorite gear. And when you're ready to come indoors, the premium electronics provide an entertainment setup that you, your family and friends will love.

ACTUALLY, YOU CAN ENGINEER HAPPINESS.

At Tiffin, our engineers employ innovative construction techniques, like the unique drainage system in the roof to channel A/C condensation. And we use high-quality components, such as laminated sidewalls and floors to provide ultimate durability and sturdiness on the road. This ensures that our owners enjoy lasting value, year after year. For a complete list of specifications and options, please visit tiffinmotorhomes.com

CONSTRUCTION SPECIFICATIONS

ROOF

- One-piece, moisture resistant molded fiberglass roof cap provides insulation and strength and prevents water intrusion
- A/C Condensation Drainage System that runs internally through the roof insulation and down the sidewalls, redirecting water underneath the motor home
- 3.5½" formed insulation
- 4. Quiet Air Cooling System with return air and foil-wrapped cooling exhaust ducts
- 5. Durable, tubular aluminum roof skeleton
- 6. Easy-to-clean soft touch vinyl ceiling panel

SIDEWALL

- 1. Gel-coat fiberglass outside wall panel
- 2. High-performance thermal insulation
- 3. Durable, yet lightweight, tubular aluminum wall skeleton
- 4. Decorative inside wall panel

All sidewalls are approximately 2" thick.

FLOOR

- 1. Vinyl tile floor bonded to high-impact oriented strand board
- 2. High-level engineered oriented strand board
- 3. High-performance thermal insulation
- 4. Durable, tubular steel floor skeleton
- 5. Woven moisture barrier material

BRING YOUR SENSE OF ADVENTURE. AND TASTE.

LIVING AREAS

The Allegro RED is designed to let you create a beautiful, inviting second home. Start with the look. The elegant interior schemes – Estate, Key Largo and Platinum – are neutral, letting you be the lead decorator. And while the Allegro RED is great for expressing yourself, it's also perfect for entertaining company. The living room is spacious, and the Scotchgard® treated fabrics and carpet (and an optional central vacuum cleaner system) make cleanup a cinch. A closed-off lavatory and separate shower quarters in the 36 QSA are perfect for ensuring everyone has complete privacy. And when it's finally time to retire, a queen-sized bed with an innerspring mattress awaits you.

CHOOSE YOUR BEAUTIFUL.

Engineering makes a Tiffin reliable, but design is what makes it unique. From cabinets crafted in our own cabinet shop to the designer-chosen finishes, here's everything you need to make your Allegro RED your own. For a complete list of options and specifications, please visit tiffinmotorhomes.com

INTERIOR OPTIONS

Cabinet doors are made of solid wood, and all cabinet finishes are available in combination with any fabric scheme.

All options may not be available in every model. Specifications and standard or optional equipment are subject to change without notice or obligation. INTERIOR SPECIFICATIONS STANDARD EQUIPMENT FOR ALLEGRO RED 36 QSA AND 38 QBA:

WHEREVER YOU GO, WE GO.

These days, that simple promise carries more weight than ever. In a time when some companies have struggled, a manufacturer who stands behind the product they build has never been more important. We've never been prouder of the strength of our company, our warranty and service plan (still the best in the motor home industry), and most importantly, the trust we've built with a very special group of motor home owners. We understand the richness that travel brings to your life, and our family is so proud of the relationship we have with yours. You are the reason we do what we do and why we never stop working to build a better Tiffin experience for you.

WARRANTIES THAT GO WHEREVER YOU GO.

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY - The structural integrity of the entire coach is guaranteed for the next 10 years. Warranty includes wall separation and inner frame weakness.

5-YEAR LIMITED LAMINATION WARRANTY - We guarantee against all exterior fiberglass delamination or wall separation.

Start your journey by visiting our website. We'd love to hear from you, so give us a call, send us a postcard or stop by our office the next time you pass by Red Bay. Because remember, wherever you go, we go.

Sincerely.
