The chassis pictured above was developed by Freightliner Custom Chassis Corporation to offer the long-term dependability of diesel power, along with fuel economy and a high resale value. It features a quiet Cummins ISB engine and an Allison 2100 MH transmission with overdrive for the 34- to 38-ft. models.

With a moderate price tag, we think you’ll find FRED is a friend indeed.
CONSTRUCTION SPECIFICATIONS

ROOF
1. One-piece, moisture resistant molded fiberglass roof cap provides insulation and strength and prevents water intrusion
2. A/C Condensation Drainage System that runs internally through the roof insulation and down the sidewalls, redirecting water underneath the motorhome
3. 5 1/2” high-performance thermal insulation
4. Quiet Air Cooling System with return air and cooling exhaust ducts foil-wrapped to deflect UV rays and repel heat
5. Durable, tubular steel roof skeleton
6. Easy-to-clean soft touch vinyl ceiling panel

SIDEWALL
1. Gel-coat fiberglass outside wall panel
2. High-performance thermal insulation
3. Durable, yet lightweight, tubular aluminum wall skeleton
4. Decorative inside wall panel

All sidewalls are approximately 2” thick.

FLOOR
1. Tile flooring bonded to high-impact oriented strand board
2. High-level engineered oriented strand board
3. High-performance thermal insulation
4. Durable, tubular steel floor skeleton
5. Woven moisture barrier material

10-YEAR LIMITED UNITIZED CONSTRUCTION WARRANTY The structural integrity of the entire coach is guaranteed for the next 10 years. Warranty includes wall separation and inner frame weakness.

5-YEAR LIMITED LAMINATION WARRANTY We guarantee against all exterior fiberglass delamination or wall separation.
